CAPTAIN & PRO CHALLENGES

We have posted dates on the notice board outside the office for our Captain & Pro Challenge this year. We aim to play weekly to give all members the opportunity to play us.

The first date is set for Friday 13th April to tee off at 3pm. The challengers will make a donation to the Captains Charity and we will play for a steak dinner with the losers paying for dinner.

All matches will be better ball matchplay over 18 holes. We look forward to a FUN year of games with lots of stories to tell at the end of it.

THE US MASTERS IS ALMOST HERE!

April is almost upon us and in 3 weeks time the best players in the world will gather at Augusta National for the annual Masters Tournament. It is always great to see the former champions play with the super stars of today, looking to put their name into the history books and receive an invitation every year as a past champion.

This year will see Sergio Garcia hosting the "Champions Dinner", will it be tapas and paella on the menu washed down with vintage Rioja?

Will a resurgent Tiger Woods back, fit and well, and playing himself into form with his recent 2nd place at the Valspar Championship come close to claiming another green jacket and move one step closer to Jack Nicklaus's major record?

For me it has always sparked the beginning of the golfing year, with the deep green of manicured fairways and greens along with the splendor of the Azaleas, Magnolia and more.

It will as ever be exciting and I am really looking forward to the back nine on Sunday!

Pro Shop News

My new advertising board is now in position on the range and there is more to come.

We have measured yardages to many of the targets on the range and these will be in each bay to help you practice more effectively.

Along with new information boards which will be used to promote the club to all range users the aim is to make the range more inviting and to attract new members.

The aim of the game of golf is to get a small ball, into a series of small holes using sticks or clubs. Not to make a perfect swing!

Getting Ready for 2018

Range sessions have proved to be popular and although we have missed a few due to the extremely cold weather we experienced a few weeks ago, the feedback has been great from all groups.

There is now ladies coaching every Monday afternoon at 1:30pm and if you would like to join a group please let me know. The Thursday Range Nights have attracted golfers of all ages and abilities I plan to add another night soon as the weather improves and the nights draw out.

Seniors Coaching will continue on a Thursday afternoon and for all future dates please call in to the Pro Shop for information and booking.

My aim is to have a golf club membership where everyone is improving and engaged in their game really experiencing the physical and mental benefits the game can provide!

MIND FIT EVENING—PLAYING THE GAME!

Following on from the two successful nights I have already hosted in the clubhouse this year, I will be again hosting another night on:

Tuesday 27th March, 7:00pm for a 7:30pm start.

The topic of the evening is 'Playing the Game with a Mind Fit Approach'

There will be a charge of £3.00 per person and the bar will be open for refreshments.

- ◆ Areas covered during the evening will be dealing with nerves and bad shots
- ◆ Building a sound Pre and Post Shot routine
- ◆ Concentration what is it and how do I do it
- ◆ If in doubt 'Act as if'
- ◆ And much, much more!

Please book your place in the pro shop or email me. Thanks in advance.

NOW IN STOCK

Volume 1, Issue 5

Wilson have increased their demo program this year and I have full sets of Irons and Woods for you to try before you buy.

Can be trialled on the course or on the range with me offering all the relevant advice.

The NEW Ping G400MAX is now in stock and demo clubs are available in a variety of shaft options.

Their most forgiving driver yet along with the NEW G700 Iron.

The original low compression golf ball is now easier to see and harder to ignore. Still the softest, longest and straightest, new Duo Soft Optix Electric Glow delivers all the benefits of Duo Soft in a matte, high-visibility finish that stands out in the air and on the green.

“The Golfers Prayer”
Grant me the serenity to accept the shots I miss, the courage to try again, and the wisdom to not throw my clubs in the lake!

#DiscoverGolf this Easter

At Melton Mowbray Golf Club

With Head Professional and Mind Fit Golf Coach
