Dear Nancy & Gerry

When you contacted EMICS in 2018 you said “ we will raise £1000—00 for your Charity and probably more “

You certainly kept to your word . £2600—00 is a huge amount of money and I can guarantee it will be put to good use.

We have been working hard this last year getting our administration in order. With the help of your huge donation we are now in a position to start equipping and recruiting more Doctors.

The donation will be used to equip some of these volunteer Doctors with the vital emergency medical equipment that they use to treat seriously ill and injured patients.

Please pass on my thanks to all at the Club for their contribution to this amazing donation.

Your support really is appreciated.

Thank you for making EMICS the beneficiary of your joint Captains Charity.

Best Wishes

Dr Tim Gray MBE
Chairman
East Midlands Immediate Care Scheme
