

ON THE GOLF COURSE

PLEASE MAINTAIN SOCIAL DISTANCING RULES AT ALL TIMES OF AT LEAST 2 METRES

Golf is a game built around trust and respect. We now have the opportunity to play and enjoy the game we love. Let's make sure we set an example and showcase what a great game it is for all ages.

- The holes on each green have been modified to allow you to hole out and retrieve your ball without touching the flag
- Your ball is deemed holed with your next shot if it is within a putter grip of the hole
- ALL bunkers are in play and placing is permitted within one club length, no nearer the hole without improving your lie
- Please repair the bunker surface as well as you can for those behind
- ONLY touch your own equipment and golf balls
- Walk purposefully between shots and remember you only have 3 minutes to search for a lost ball
- There is no need to approach other groups on the golf course

When you finish your round please:

- DO NOT SHAKE HANDS
- Leave the golf course to the Car Park via the compressor and go straight to your car
- Put your clubs away and change your shoes
 - Leave the golf club as soon as you can after play

By following these simple rules and applying common sense we are confident that you will be able to enjoy the game you love!
